St Andrew's doctors continue to offer their knowledge and experience to GPs from around Queensland and interstate as part of the hospital's nationally acclaimed Continuing Professional Development (CPD) program.

Regional and remote patients occupy 30-40 % of our bed stays at St Andrew's annually. In support of the clinicians & GP partners who practice in this setting we will be hosting a series of regional CPD meetings in 2017 where we will 'connect' our St Andrew's specialists to regional GPs and specialists.

On Wednesday 1 November, St Andrew's Hospital invites you to attend dinner at the Empire in Rockhampton. The meeting will explore and provide updates on referral pathways to St Andrew's gastroenterology services.
