A CARDIAC & VASCULAR UPDATE -
DISEASE AWARENESS AND LATEST
TREATMENTS

TUESDAY 18 JUNE 2019

Empire, Rockhampton

PROUDLY SUPPORTED BY

St Andrew's doctors continue to offer their knowledge and experience to GPs from around Queensland and interstate as part of the hospital's nationally acclaimed Continuing Professional Development (CPD) program.

Regional and remote patients occupy 30-40 % of our bed stays at St Andrew's annually. In support of the clinicians & GP partners who practice in this setting we will be hosting a series of regional CPD meetings in 2019 where we will 'connect' our St Andrew's specialists to regional GPs and specialists.

On Tuesday 18 June, St Andrew's Hospital invites you to attend dinner at the Empire in Rockhampton. The meeting will explore and provide updates on referral pathways to St Andrew's cardiology and vascular services.

**NUMBERS ARE LIMITED SO WE ENCOURAGE YOU
TO REGISTER EARLY TO ENSURE A PLACE.**
