CPD Continuing Professional Development

A graphic consisting of a grid of white dots, with some dots missing to form a stylized 'CPD' shape.

Join specialists from St Andrew's War Memorial Hospital as they provide updates on the latest technologies and innovative solutions.

Covering gynaecology, neurosurgery, DBS, general surgery, breast cancer and cardiology, this conference will bring together experts in these respective fields and general practitioners from around Queensland are invited to attend.

This conference also includes an accredited cardiac simulation workshop including CPR training.

BOOK NOW!
Seats are limited
