

St Andrew's War Memorial Hospital is a private not-for-profit 250 bed hospital with a friendly, welcoming, proud and active group of around 80 volunteers.

We have a variety of roles for volunteers in our hospital. There are opportunities to concentrate on one role or to multiskill across several roles, depending on your preferences, skills and availability.

We ask for a regular commitment of a minimum of one 4 hour shift per week, for a period of 6 months or more. Shift times vary according to the volunteer role, but are currently week days only - some time between the hours of 6am - 3pm.

Full orientation, training and ongoing support is provided. We also offer free carparking and lunch, and use of our staff gym.
